OUR MISSION:

BECAUSE JESUS SAID GO

When leaders are equipped, trained, and empowered, churches grow, communities are transformed, and the Gospel reaches farther.

That's why we are committed to providing Christian leaders with the tools they need to build strong churches, share the Gospel, and break cycles of poverty and sickness.

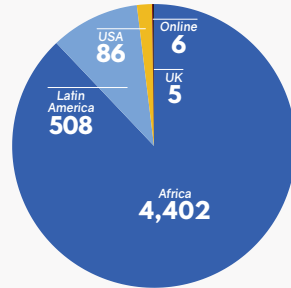

With your help, we are building up a church that “goes” from nation to nation.

STUDENTS GRADUATED

In 2024, we graduated **5,007** pastors and Christian leaders from Nation-2-Nation Christian University, bringing our grand total since 2016 to 17,487.

PEOPLE BROUGHT TO CHRIST

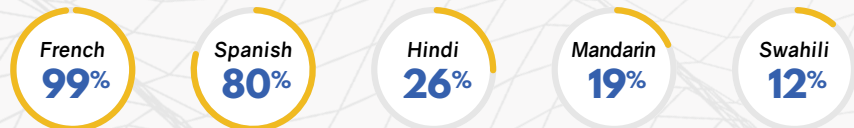

In 2024, our students and graduates led over 80,000 people to a saving faith in Jesus Christ. This is a number that is growing every year as our group of students and graduates increases.

INTERNATIONAL TRIPS

In 2024, our teams visited 20 countries, starting 228 new schools, training facilitators, and attending graduations.

CURRICULUM & TRANSLATION

We filmed three new courses and continued significant work on translating Hindi, Spanish, Mandarin, and Swahili. We will be ready to launch the first year of our curriculum in Hindi and Mandarin before the end of 2025. We will also launch the first two years of an updated Spanish curriculum.

STORIES FROM THE FIELD

Your Support in Action

Leocadie

“I had seen many people in pain. All I could do was feel sorry for them, but now, through the counseling courses, I have been given the tools to stand with them, helping them get back on their feet and do something for themselves. I thank God for this school!”

Jean Claude

“There are more converts in our church than any other time in the history of this ministry because those who attend N2NCU have been equipped to share their faith and the Gospel freely and with accuracy, boldness, and conviction.”

Charite

“Because of N2NCU, I am now more devoted to the Gospel and share it with ease. I also joined cooperatives because of this school. Together, we grow crops and share the profits. In one group, we have started a carwash, welding business, and barbershop! As servants of God, we are no longer beggars but givers, blessing others with our spiritual gifts and our finances.”

CHURCH GROWTH

Our courses train up leaders who become united under Christ, understand the Word of God, and share the Gospel.

BUSINESS CREATION

We teach the church how to promote business as an evangelistic calling, build successful businesses, and end corruption in the marketplace.

FOUNDATIONAL DISCIPLESHIP

The N2NCU program is moving Christians to carry out the Great Commission and get involved in the local church.

COMMUNITY TRANSFORMATION

Our unique community development courses bring families the training they need to prosper in all areas of their lives.

FAMILY HEALING

Because of courses on marriage, family, and counseling, the church functions powerfully in the community as families live in love and harmony.

REFUGEE EMPOWERMENT

We are partnering with pastors inside refugee camps and war-stricken countries to help those in need find their way out of hopelessness.

MINISTRY MODEL

N2N team members Rich and Ginger Jorgensen

IT'S MORE THAN JUST EDUCATION

True transformation happens when individuals are empowered to change their own lives. At Nation-2-Nation, we don't just offer handouts—we provide a “step up.” Through strategic partnerships with local churches, we are training thousands of pastors and Christian leaders to address real-world challenges.

Our video-based courses in biblical studies, leadership, ministry, and community development provide students with vital knowledge and practical tools to make a difference. As they apply what they learn, churches flourish, families are restored, and communities are transformed by the Gospel.

This is more than education—it's a movement of believers transforming lives and shaping the future of nations.

2024 FINANCIAL SUPPORT

Maximizing Your Impact

Because of the generosity of our partners, 2024 was another impactful year in advancing the mission of Nation-2-Nation.

2024 Total: **\$431,257**

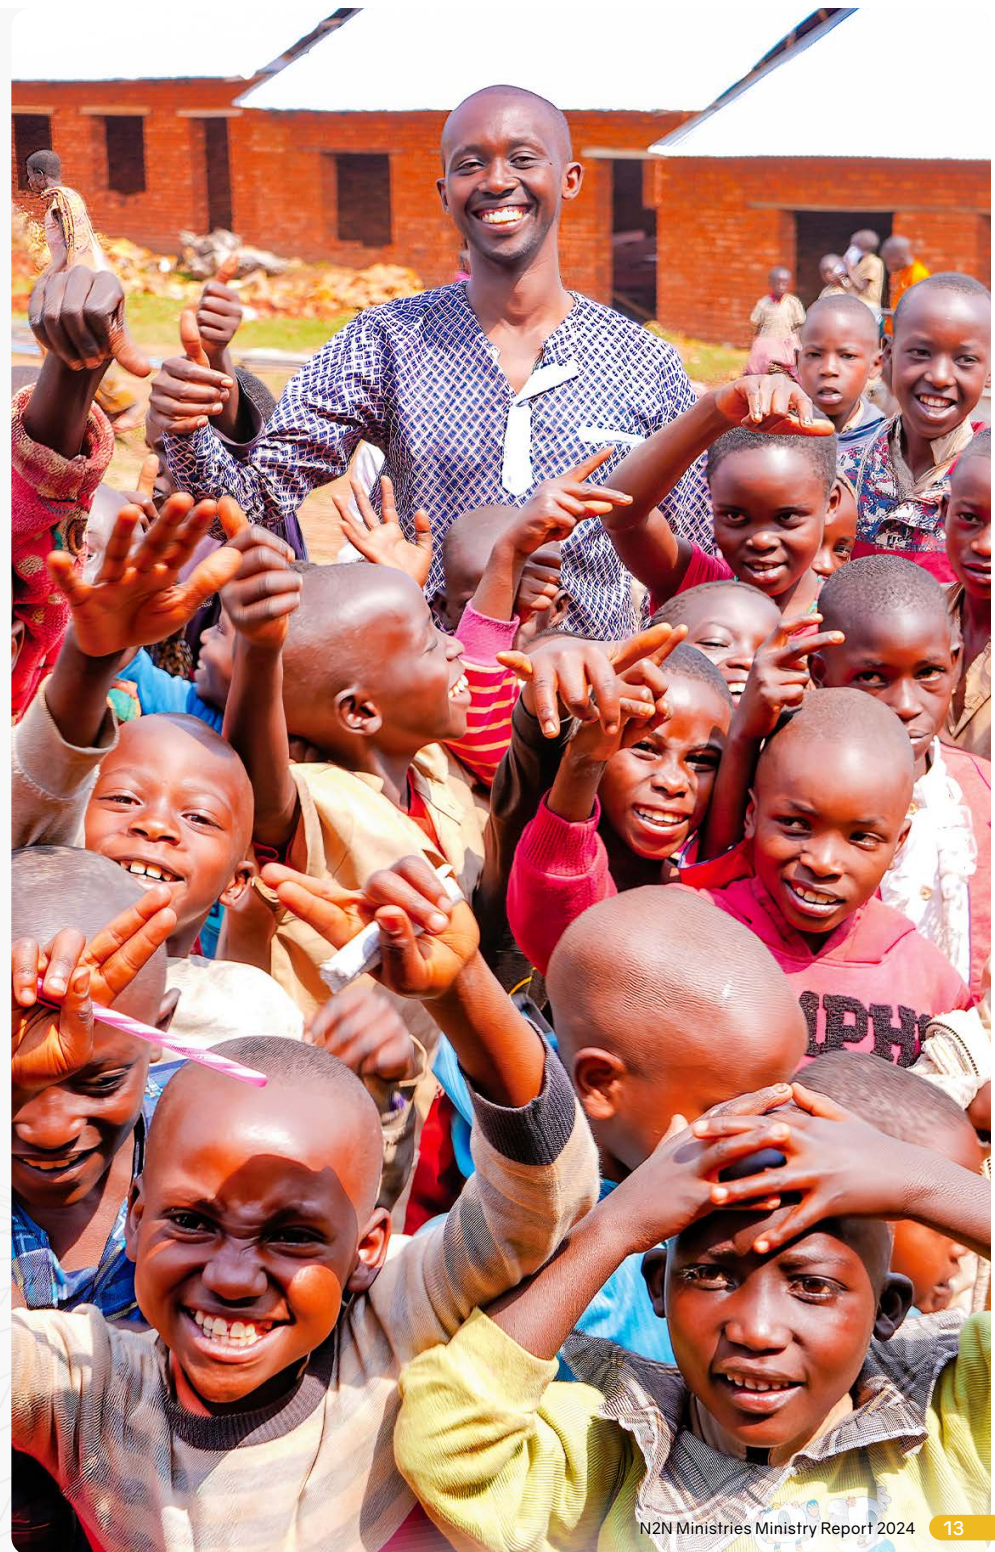

Every gift plays a crucial role in spreading the Gospel and transforming communities through faith in Jesus. We are committed to stewarding each donation wisely, ensuring that resources are used strategically to maximize the impact for God's Kingdom.

Charity Navigator recommends that nonprofits allocate no more than 25-35% of their funds toward administrative and fundraising costs.

Over the past five years, N2N has consistently directed an average of 86% of all funds toward Program Services—fueling ministry efforts worldwide. Our goal remains to keep at least 80% of all donations focused directly on the mission, ensuring the greatest return in lives changed and souls won for Christ.

THANK YOU!

The impact and growth we've seen this year would not have been possible without you. Your generosity and prayers have fueled this mission, and we are truly grateful for your partnership.

As we move forward, we are excited to continue equipping, training, and empowering the Church to reach more people with the Gospel. Thank you for standing with us in this important work!
